

PAUL VENOIT

BEAUTY & STYLE EXPERT

PAUL VENOIT

Canadian-born Venoit, has garnered international acclaim amongst fashion and advertising circles. From prepping Claudia Schiffer for a film festival party, Kate Moss for an ad campaign, Duran Duran to meet the press, or a pageantry of mannequins for the runway. He is the master of beauty and style.

Additionally, Venoit has appeared on Global broadcasts networks for "Look a Like", "Fashion Wrap", "Canada's Next Top Model", and The Rachael Ray Show... to name just a few.

Venoit's distinctive touch, as well as his charismatic approach, has made him a favourite in Hollywood circles. Most recently he impressed us all with his up beat commentary at the world's most celebrated Red Carpet events; at the 2008 coverage of the SAGs, Grammys, Emmys and the Oscars awards.

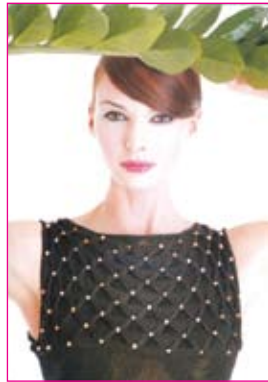

He's the epitome of hip, urban cool with an earthy, rock'n'roll sensibility; uptown polish, and a downtown, street-smart flair.
